

# COLOSSAL

24/7  
SEATING

The incredible durability of the Colossal chair makes it the ultimate chair for around-the-clock use. With three chair models, two interchangeable types of heavy-duty, adjustable arms, steel reinforced seat plates and a heavy-duty gas cylinder, Colossal is as versatile as it is rugged.

Colossal is designed for 24/7 applications like call centers, emergency centers, or tech support environments. Its multiple adjustments for arms, back angle, seat angle and more allow Colossal to quickly adapt from one user to the next, making it the perfect fit in a three shift office.

Colossal is available in a wide variety of fabrics, from solid colors to patterns, to match any décor. And with a timeless black frame and trim, Colossal is at home in any office setting.
